My Valentine Heart

When I say I love you

(Point to lips)

It comes from my heart

(Hand on heart)

You hear it in your ear

(Point to ear)

And it sounds very smart

(Point to head)

I love it when you're proud of me

(Stand very tall)

You say it all day long

(Stretch arms wide)

And when I hear you say it

(Point to ear)

My heart sings a merry song

(Hand on heart)

St Aiden's

On Valentine's Day
Just put me in an envelope
And give me away

Valentine

Here is a valentine.
I made it just for you.
With paper and ribbons
And lots of Elmer's glue!
I cut it with my scissors
And designed it with my paint.
If I tell you that I love you,
Do you promise not to faint?

Special Valentine

Prepare 5 valentines and 5 envelopes to use on the flannel board.

Look at all these valentines; (put valentines on board)

I made one for each friend.
I'll put them in some envelopes,
So each one I can send.

How many valentines do you see?
Start to count them now with me.

I sent one to _____; now I have four.

Four cheerful valentines, pretty ones to see-

I gave one to _____; now I have three.

Three cheerful valentines with flowers pink & blue

I gave one to _____; now I have two.

Two cheerful valentines-my story's almost done.

I gave one to _____; now I have one.

One cheerful valentine-one and only one-

Party games

Flying Hearts

Glue a red and a pink heart together back to back. Put this special heart plus about three dozen plain hearts in the center of an old bed sheet. The children hold onto all sides of the sheet and gently toss the hearts up and down.

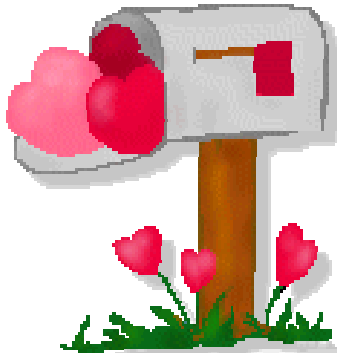

At the shout of "Hearts high!" the children toss the sheet high into the air, making the hearts fly. The child who picks up the most hearts and the one who finds the special pink and red heart are the winners.

Postman, Postman

Everyone gets to participate in this game involving a hidden valentine. Choose one child to be postman and give him or her the postman's hat. (Red strip of paper with pink heart that says Postman.) The postman must hide his eyes while you give another child a valentine to hide behind their back. Then the postman uncovers his eyes and faces his classmates who say, "Postman, postman, where's the mail?" The postman gets three guesses to find out who is hiding the mail. If he guesses correctly, he continues as postman. If he guesses incorrectly, the person with the mail becomes the postman.

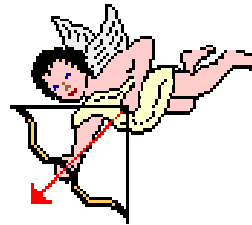

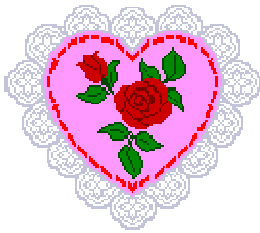

St Aiden's

Circle Time Heart Match Game

Make a valentine for half the number of children in the group. Cut each heart in half in a zigzag or swirly fashion, so that each cut is fairly unique and identifiable. Each child is given part of a heart and must find his/her partner by matching the valentine halves.
